

ALEXANDRE GRAVEREAUX

MEng Student at CentraleSupélec

@alexandre.gravereaux@student-cs.fr
in LinkedIn

Paris, FRANCE

PHILOSOPHY

"Stay hungry, stay foolish."

CAREER PLAN

I am passionate about science and computing. I'm curious and hard-working.

I'm following a gap-year tech program at Paris Digital Lab. I'm looking for a 6-month internship in a large company in Software Engineering or DevOps starting in August or September 2024.

STRENGTHS

Soft skills

Curiosity

Syntesis capacity

Hard-working

Adaptability

Eye for detail

CentraleSupélec | Computer science TA

September 2023

Leading 20h of Information Systems and Programming tutorials for 30 students.

Relational databases, **Python**, **Extract-Transform-Load (ETL)**, network layers and protocols, network security, teaching and sharing

CentraleSupélec | Student Projects

2022 - 2023

- **Web-based film recommendation platform**
 Javascript, **ReactJS**, **ExpressJS**, **Vectorial Embedding**, **MapReduce**
- **Satellite-based soil analysis** using several AI methods.
 K-means, **SVM**, **Deep neural networks**.
- **Twitter insult detector** using Twitter API
 Python, **Pandas**, **TextBlob**, **SciKit**, **RandomForest**, **Dash**

Parfums Christian Dior | Agent Internship

June 2023

Perfume manufacturing agent. Manufacturing process and supply chain.

Continuous improvement, Lean method & 5S approach.

EDUCATION

CentraleSupélec | MEng in computer science

2022 - 2026

Paris Saclay

Computer science, corporate finance, mathematics, physics

Highly selective gap year: Digital Tech Year at Paris Digital Lab, La Défense.

Collège Stanislas | BSc. in Mathematics and Physics

2020 - 2022

Paris

Two-year intensive university-level program to prepare for **highly competitive nationwide exams**.
